

# QUALITY POLICY

Tesseract International are building designers and engineers covering all aspects of design, documentation and working drawings including commercial, industrial, bulk handling, residential and special interest projects.

We will achieve customer satisfaction by continually improving processes, products and services to ensure they consistently meet or exceed customers requirements.

Our Quality Policy acts as a compass in providing the direction and a framework for establishing quality objectives and targets.

The model employed for this is the international standard  
AS/NZS ISO 9001 : 2015
